# Notice of Privacy Practices

This notice describes how a dental office may use and share health information about you, and how you can get access to that information. Please read it carefully.

### How information may be used

To provide treatment, to get paid for that treatment, and to run the practice.

### Your rights

You can ask to see or get a copy of your records, ask for corrections, and ask us to limit what we share. You can also ask for a list of who we have shared information with.

### Questions

Call the front desk at (555) 012-4400 and ask for the privacy contact.

Nothing to fill in. You sign a one-line acknowledgment at the desk.
