DEMO FORM - FICTIONAL PRACTICE - NOT A REAL MEDICAL OR LEGAL DOCUMENT

Northline Family Dental | (555) 012-4400

How to Read Your Treatment Plan Estimate

Every estimate has four columns.

Procedure

The plain name of the work, plus the standard code.

Our fee

What the practice charges for it.

Estimated plan portion

Our best read of what your plan pays, from the plan's own published figures.

Estimated your portion

What is expected to be left for you.

Example (fictional)

Filling: fee $240, estimated plan portion $150, estimated your portion $90.

Estimates are estimates, not guarantees. Ask us to go through yours line by line.
